WINE TASTING

WINE TASTING WITH THE AMBASSADOR: WINES AND TYPICAL PRODUCTS

It is a taste break in the context of a characteristic Apulian vineyard at sunset, or if you prefer by the pool to let yourself be guided to discover the world of Apulian wine and accompanied by a lot of chat with an Ambassador and with one or more new friends.

Aleatico, Aglianico, Bianco d'Alessano, Bombino bianco, Bombino nero, Cabernet, Chardonnay, Falanghina, Fiano, Greco, Lambrusco, Malvasia bianca, Malvasia Nera, Marchione, Merlot, Minutolo, Montepulciano, Moscato, Negroamaro, Nero di Troia, Primitivo, Ottavianello, Sangiovese, Susumaniello, Verdeca, Zinfandel ... are some of our native vines, whose grapes are vinified in purity or in blends to produce quality wines: white, red and rosé, sparkling and sparkling wines, also for dessert. Your mouth is watering already, right?

Our wine tasting in the Aperitif formula provides :

- Tasting of 4 wines from Puglia and Basilicata
- 1 sparkling / sparkling wine
- 1 white
- 1 rosè
- 1 red
- Combination of typical products, in the aperitif formula.

40€ per person

In addition to vines, olive trees and various fruit trees are also grown, and all around wheat and legumes and vegetables, without forgetting to mention the numerous cattle, sheep, horse and pig farms. All this translates into typical products with authentic flavors that represent the perfect combination for tasting our wines.

But in addition to our flavors there are also knowledge to discover, stories and anecdotes, places and people.

Ours is a wine tasting proposed in an informal and relaxed formula, an aperitif with an Ambassador of Puglia who will tell you about the Apulian wine supply chain as well as the facets of food and wine, traditions and folklore of our territory.

You will be amazed and, we are sure, after our aperitif you will want to go out and discover Puglia and Basilicata, perhaps on the roads of our wines!

WINE DELIVERY

Puglia and Basilicata produce a good percentage of Italian wine and their wine making tradition dates back thousands of years.

Thanks to the presence of numerous native vines, the wines produced in our regions offer the opportunity to experience a unique experience. Both gustatory thanks to their flavor. Be emotional for the stories and anecdotes that will inevitably entice you to discover about the territories and the people who produce them.

We want to give you the opportunity to discover some of our local wines to stimulate your curiosity, for this reason we collaborate with a real Ambassador who knows the producers and the Apulian and Lucanian territories, and we offer you an assistance service in the selection and delivery of wines. in the villa and in the farm.

We think it is a valid service but, above all, useful!

Some of the advantages of our service:

- upon your arrival you will find some bottles of high quality Apulian and Lucanian wine waiting for you, chosen according to your wishes, it will make no difference whether you are an expert or simply want to find out what we produce here in our area.
- you will be spoiled for choice between whites, reds, rosés, sparkling wines, sparkling wines and dessert wines; if you need it, our Ambassador will be available to support you in your choice or to offer you tasting boxes.
- excellent value for money - our prices are extremely competitive with those of local wine shops.
- ordering is simple and fast, directly online through a web portal where we will activate your personal area and a discount dedicated to you, or through our Ambassador.
- you don't have to waste too much time wandering around between supermarkets and wine bars.
